WORK EXPERIENCE

- **Web Development Intern** [MotionCut Crafting Futures] Jun-Jul 2024
 - Contributed to multiple web development projects, focusing on both front-end and back-end development.
 - Gained hands-on experience with HTML, CSS, JavaScript, and React, enhancing user interfaces and ensuring responsive designs.
 - Collaborated with the team to integrate APIs and optimize website performance.
- **CERTIFIED FULL STACK DEVELOPER** [SMARTINTERZ] Jun-Jul 2024
 - During this program, I gained hands-on experience with MongoDB, Express.js, React, and Node.js
 - building dynamic and full-featured web applications. This training has enhanced my skills in full-stack development
 - I had the opportunity to contribute to various projects, progressing from basic to advanced levels
- **Agile Simulation Virtual Experience on Forage** [J.P. Morgan] Aug-Sep 2024
 - Drafted eight user stories using Trello and prioritized them by estimating the relative level of effort required
 - Ran the Scrum team's daily standup to effectively plan the day and energize the team members
 - Conducted a sprint review to gather feedback on the Scrum's work and a sprint retrospective to align on opportunities for improvement in future sprints

PROJECTS

- **Online DJ Management System** [https://github.com/Msunil2003/ODJMS]
 - Developed a web-based Online DJ Management System that allows customers to book DJ services, view booking details, and make secure payments. The system tracks payment status, displays detailed booking information, and offers seamless payment processing through an integrated payment gateway. The project features a user-friendly interface, booking search functionality, and automated status updates, ensuring an efficient and transparent booking experience.
- **Basic E-Commerce With Stripe Payment Gateway** [https://github.com/Msunil2003]
 - Developed a comprehensive e-commerce platform featuring a user-friendly interface and secure payment processing using the Stripe payment gateway. Implemented core functionalities such as product listing, cart management, and user authentication. Integrated responsive design principles to ensure optimal user experience across devices. Enhanced user engagement with smooth checkout processes, order tracking, and notifications. Focused on clean, maintainable code and efficient backend operations to handle payment transactions and data storage securely.

EXTRA-CURRICULAR ACHIEVEMENTS/ACTIVITIES

- Active member of Bulls and Bears club at university, a finance club dedicated to promoting finance careers and activities. Focuses on investment banking, stocks and trading, and wealth management. Provides a platform for students to apply theoretical finance concepts in real-life scenarios.

TECHNICAL SKILLS

- **Languages :** MySQL, MongoDB, HTML, CSS, Javascript, ReactJS, Nodejs, ExpressJS , REST API
- **Tools:** VS Code, GitHub, Git
